

# 2006 AWARDS

## NEW WINNERS AND UPGRADES

The following restaurants are the newest additions to the *Wine Spectator* program. They are organized alphabetically by state and country or region and are further broken down by award. Black type indicates an Award of Excellence (†); red type, a Best of Award of Excellence (††); those marked with an asterisk have this year been upgraded from the Award of Excellence to the Best of Award of Excellence. Complete information on each winner can be found in the extended directory beginning on page 119.
